

Jura®

*Freshly ground,
not capsuled.*

Range 2023/2024

A JURA automatic machine – the right choice every time

With JURA automatic machines, you can choose from a virtually unlimited selection of fresh coffee beans and prepare the perfect specialities at the touch of a button – freshly ground, not capsuled. Thanks to their intuitive operation, handling the machines couldn't be simpler. What's more, their stunning design combined with premium materials and outstanding workmanship transform them into interior design features in their own right.
