Pocket Pilot _____ jura.com/pocket-pilot

Pocket Pilot 2.0*

With Pocket Pilot 2.0, JURA is setting new standards in payment, billing and management of professional fully automatic coffee speciality machines. The free software enables cashless payments and does not require any additional devices such as coin acceptors or card readers, or even an app download. At the same time, Pocket Pilot 2.0 allows central monitoring and management of all connected fully automatic machines and offers a high degree of customisability. In short, Pocket Pilot 2.0 is probably the simplest, most affordable and most flexible billing and management system for fully automatic machines from JURA.

*Compatible with GIGA X8c/ GIGA X8 (EB), GIGA X3c/ GIGA X3 (EB), X10 (EA) and GIGA W10 (EA),
required accessory: Payment Connect
